

722 Keeler, Berkeley Hills \$495,000

4++ bedroom/3 full baths with in-law

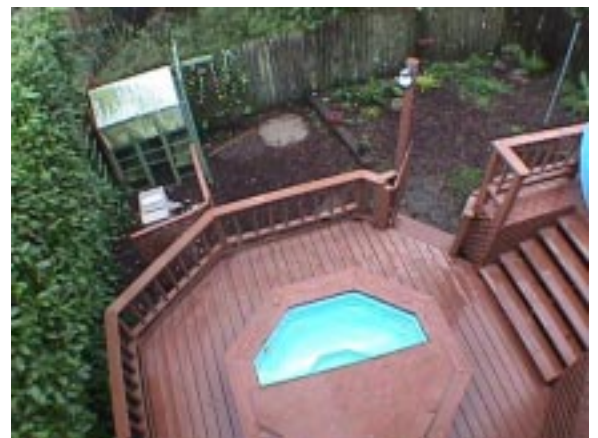

This spacious home is much larger than it looks from the street. It's perfect for people needing a lot of room.... and who enjoy glorious filtered bay views. There's even a hot tub on the lower level deck!

The lower level has a second kitchen and separate entry.

Both the living room and master bedroom have fireplaces.

The garage conversion provides bonus space.
